

Accidents can happen anytime, anywhere

The economic impact of unintentional injuries is about \$6,900 per household (whether directly out of pocket, through higher prices for goods and services or through higher taxes).

Accidents are usually followed by a series of bills. Even if you have good insurance, you may still have to cover out-of-pocket costs, such as:

- Doctor bills
- Ambulance fees
- Hospital expenses

If you suffer from a fracture, dislocation or other covered accidental injury, accident insurance can help offset unexpected medical expenses, such as emergency room fees, deductibles and co-payments. Coverage options are available for you, your spouse and your dependent children.
