

## Download your physician form in 3 easy steps:

1. Visit **bcbst.com/memphistn** and log into your BlueAccess account  
*Use the steps below if you have never created an account.*

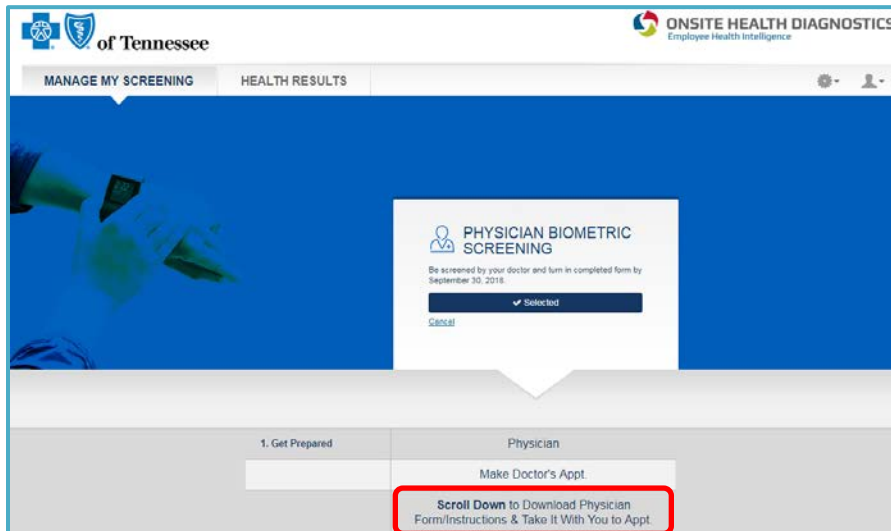

**Register for BlueAccess**

Visit **bcbst.com/memphistn** and follow these steps:

- Choose the **Register Now** option under **Log In/Register for BlueAccess**.
- Select the first option: **Register as a Member**.
- You'll need your Member ID card to sign up.

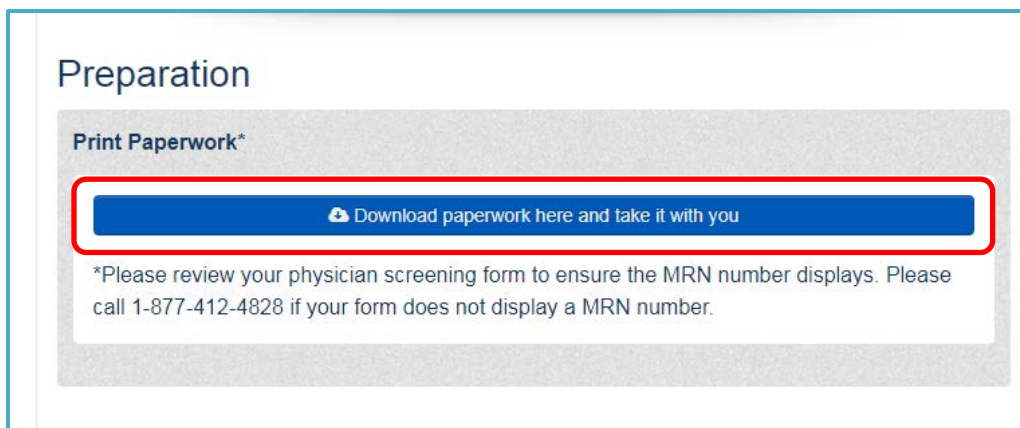

The image shows a man in a grey blazer and glasses looking at his smartphone. The background is a light grey gradient.

2. Under **Managing Your Health** select **Biometric Screening**

The screenshot shows the Onsite Health Diagnostics website interface. At the top, there are logos for the University of Tennessee and Onsite Health Diagnostics. Below the navigation bar, there are tabs for "MANAGE MY SCREENING" and "HEALTH RESULTS". The main content area features a "PHYSICIAN BIOMETRIC SCREENING" section with a "Selected" button and a "Cancel" link. Below this, there are two columns: "1. Get Prepared" and "Physician". Under the "Physician" column, there is a "Make Doctor's Appt" button. A red box highlights a link that says "Scroll Down to Download Physician Form/Instructions & Take It With You to Appt".

3. Scroll down to the **Preparation** section and click the blue bar "**Download paperwork here and take it with you**"

**Preparation**

**Print Paperwork\***

[Download paperwork here and take it with you](#)

\*Please review your physician screening form to ensure the MRN number displays. Please call 1-877-412-4828 if your form does not display a MRN number.

The image shows a blue button with a white download icon and the text "Download paperwork here and take it with you". The button is highlighted with a red border.
