

Sick Leave Bank Guidelines

Memphis Police Department Only

I. PURPOSE:

The Memphis Police Department Sick Leave Bank (hereinafter the “MPD Bank”) grants paid sick leave to certain City of Memphis (hereinafter the “City”) employees who are assigned to the Memphis Police Department (“MPD”) and who have exhausted all of their personal sick, vacation, and bonus leave balances and who are either (1) medically certified as unable to perform the duties of their jobs as a result of a personal illness, injury, accident, disability, quarantine, mental illness, or other medical condition, and it is reasonably anticipated that the employee will be able to return to full duty, or (2) the essential care giver for an immediate family member, as defined by the Family & Medical Leave Act (hereinafter “FMLA”), who is suffering from a personal illness, injury, accident, disability, quarantine, mental illness, or other medical condition.

In cases where an employee is granted sick leave from the MPD Bank for the illness of an immediate family member, the number of hours granted shall not exceed the number of hours approved under FMLA, when combined with the employee’s personal sick, vacation and bonus leave.

The MPD Bank is administered by the Committee of the City of Memphis Sick Bank (the “Committee”) as established in Section IV.

II. ELIGIBILITY FOR ENROLLMENT AND MEMBERSHIP:

1. Employees assigned to MPD meeting all of the following criteria are eligible to enroll in the MPD Bank:
 - a. Employed full-time with the City and assigned to MPD for at least twelve (12) continuous full months as of the first day of the enrollment period; and
 - b. Entitled to accrue sick leave; and
 - c. Currently accruing sick leave; and
 - d. Has a sick leave balance of at least 48 hours as of the date of their date of enrollment, which balance must be maintained until the assessment of required sick leave hours is made.
2. Employees enrolled in the MPD Bank, who have exhausted all of their personal sick, vacation, and bonus leave balances and are approved for qualifying leave under the FMLA or the Americans with Disabilities Act Amendments Act (“ADAAA”) are eligible to receive grants of sick leave from the MPD Bank. An enrolled employee receiving payments under a grant at the time that new vacation leave hours are awarded will not be required to exhaust those newly acquired vacation leave hours to continue receiving the current grant. Subsequent grants will require the exhaustion of all leave hours to trigger eligibility.
3. MPD employees electing to join the MPD Bank must do so during the enrollment period, as set by the City’s Human Resources Division. MPD Employees may obtain an application in the process prescribed by the Human Resources Division from year to year.
4. Any MPD employee who is approved to join the MPD Bank (hereinafter “MPD Bank Member”) will initially have sixteen (16) hours of sick leave deducted from his or her personal accumulation and donated to the MPD Bank. Additionally, upon initial enrollment, or at any time during membership in the MPD Bank, an MPD Bank Member may elect to donate up to a lifetime maximum amount of six hundred (600) hours to the MPD Bank.* For MPD Bank Members who do not elect to donate the lifetime maximum amount of six hundred (600) hours to the MPD Bank upon initial enrollment, eight (8) hours of sick leave will be assessed to each MPD Bank Member’s personal sick leave balance on January 1 of each year. The Committee reserves the right to waive the assessment in any year. In the event of a waiver, the Committee will provide written notice to all MPD Bank Members. If a waiver occurs, nothing in this section will prevent an MPD Bank Member from making a voluntary donation to the MPD Bank.
 - a. Retiring employees who are not MPD Bank Members may donate up to 600 hours of sick leave to the MPD Bank on the effective date of retirement. This donation is one-time-only, and will not create an

entitlement to grants from the MPD Bank for said employees and/or said employees' family members who may or may not be employed by the City.

- i. A donation to the Bank under section II.4.a. will not affect the retiring employee's entitlement to compensation for up to 75 days of unused accrued sick leave under PM 46-03; however, if a retiring employee donates sick leave under this section, that employee may not also receive compensation for the donated time. Compensation received pursuant to PM 46-03 is limited to time over and above hours donated to the MPD Bank under section 4.a.
5. If at any time the number of days in the MPD Bank is less than eight (8) hours per MPD Bank Member, or at any time deemed necessary, the Committee will issue a request to MPD Bank Members to donate additional hours to the bank to make up the deficiency; if hours voluntarily donated are insufficient to increase the balance of the MPD Bank to at least eight (8) hour per MPD Bank Member, the Committee may specially assess each MPD Bank Member, with the exception of MPD Bank Members who have donated the lifetime maximum amount of six hundred (600) hours to the MPD Bank*, one or more days of accumulated sick leave. MPD Bank Members will receive written notice prior to a special assessment.
6. An MPD Bank Member who accrues leave the month immediately preceding any assessment but fails to hold the required sick leave for the assessment will be removed from the MPD Bank, unless a qualifying illness or injury is the reason for the lack of available leave.
7. For an MPD Bank Member who does not accrue leave in the month prior to any annual or special assessment, the first earned sick day(s) will be assessed upon accrual by the MPD Bank Member. **The MPD Bank Member must notify the Human Resources Division upon accrual, and hold the sick leave in his or her sick leave balance for assessment.** Failure to meet any annual or special assessment within one (1) year constitutes refusal to honor an assessment and will subject the Bank Member to expulsion from the MPD Bank.
8. Initial, annual, and special donations/assessments to the MPD Bank are nonrefundable and nontransferable.

III. ELIGIBILITY FOR APPLICATION AND GRANTS:

1. Application eligibility date ("eligibility date") is the date on which the MPD Bank Member exhausts all accumulated sick, compensatory and annual leave. Grant applications must be received within fourteen (14) days of the eligibility date for a MPD Bank Member to qualify for a grant retroactive to eligibility date. If application is not received within fourteen (14) days of the eligibility date, an MPD Bank Member will only qualify for a grant for leave taken from the application date forward. Additional time limits are outlined below in section III.7.c.

MPD Bank Members are eligible to apply for grants of sick leave at any time following enrollment. Application for sick leave grants must be made on a Withdrawal Request Application and Medical Certification form. These forms may be obtained from the City Human Resources website or from MPD's Human Resources liaison.

2. If an employee sustains a job-related injury or illness, he/she must first submit an on the job injury (hereinafter "OJI") claim and receive a determination prior to receiving grants from the MPD Bank. If the OJI is denied, or if the MPD Bank Member exhausts his/her paid leave prior to receiving a determination, the MPD Bank will consider a request for grants from the bank. If the OJI is approved subsequent to the MPD Bank Member's award of a grant from the MPD Bank, the hours paid under the grant will be credited back to the MPD Bank. The 14-day retroactive application limit outlined in paragraph III.1. will not apply to situations involving denied OJI claims.
3. Employees who received lost time and/or a settlement based on an OJI claim or any other employer-provided benefit(s) for job related injuries or illnesses are not eligible for MPD Bank grants for any claims involving the same injuries or illnesses.

4. MPD Bank Members will not be eligible for grants from the MPD Bank under the following circumstances:
 - a. elective surgery;
 - b. while the MPD Bank Member is earning income from other employment;
 - c. during any period, the MPD Bank Member is receiving long term disability benefits; or
 - d. if the MPD Bank Member is receiving OJI benefits, or any other employer-provided benefits for job or service-related injuries or illnesses that are also related to the request for grants from the MPD Bank.
5. Application for sick leave grants must be made on Withdrawal Request Application and Medical Certification forms. Employees may obtain these forms as outlined above in Paragraph III.1. All Withdrawal Request Applications must be completed by the MPD Bank Member and forwarded to the City Human Resources Office. If an MPD Bank Member is physically or mentally unable to apply, a family member or agent of the MPD Bank Member may file the request on the MPD Bank Member's behalf.
6. Application for sick leave grants must be submitted no earlier than two (2) weeks prior to, but no later than thirty (30) days after, the eligibility date to receive a bank grant absent extraordinary circumstances. Applications for grants from the MPD Bank received after the expiration of the thirty (30) day period will be denied absent a finding of extraordinary circumstances by the Chief Human Resources Officer. No further applications for sick leave during that period of absence from work for that specific illness/injury will be accepted.
7. Medical Certification:
 - a. A Medical Certification form must be submitted with each Withdrawal Request Application. This Medical Certification form must include information resulting from a treatment visit with a medical doctor/surgeon and/or a nurse practitioner/physician's assistant and should occur as close as possible to the MPD Bank Member's eligibility date. Treatment visits may include, but are not limited to, a hospital visit, the date of surgery, a doctor's office visit, etc.
 - b. The initial Medical Certification form must be completed in its entirety by the MPD Bank Member's current attending medical doctor/surgeon and/or nurse practitioner/physician's assistant at the time of application.
 - c. All Medical Certification forms and/or any other medical records or information requested by the MPD Bank or its staff may be forwarded directly to the MPD Bank Administrator by the medical office or the official custodian of the medical records or provided by the MPD Bank Member. If medical records are provided by the MPD Bank Member, he/she must sign a HIPAA Release Form so the Committee can confirm the medical records provided by the MPD Bank Member. A copy of the HIPAA form may be obtained from the Administrator.
 - d. For any extension of MPD Bank grants, a subsequent Medical Certification form must be submitted, which must be based on a follow-up treatment visit relating to the same injury or illness for which the extension is being sought. The subsequent Medical Certification form must be completed by either the MPD Bank Member's current medical doctor/surgeon or by a nurse practitioner/physician's assistant working directly under the supervision of the current medical doctor/surgeon.

In the event a MPD Bank Member dies while receiving a grant from the MPD Bank, payments will cease as of the date of death and any leave remaining on the grant will be credited back to the MPD Bank.

3. Once an MPD Bank Member's leave under the FMLA has been exhausted, nothing herein shall prevent the MPD Bank Member from seeking an Accommodation pursuant to the ADAAA to retain eligibility for grants from the MPD Bank.
 - a.
