

MassMutual Deferred Compensation virtual 1x1 meeting opportunity

Recent volatility within U.S. and global markets brought on by global health concerns has been historic and unsettling. You're not alone if you have concerns or questions about your retirement savings and investments during current market conditions.

MassMutual is committed to providing you education and guidance to help you navigate through these uncertain times. With recent travel restrictions we are unable to be onsite but are available for virtual meetings. All you need is a computer with internet.

Representative: Austin Maness, *Participant Enrollment Coordinator*

These meetings will provide:

- **New Participants:** Enrollment assistance and Investment information
- **Existing Employees:** Plan review, including contribution and investment changes
- Asset Allocation Analysis
- Account Consolidation

Please ensure you have your username, password, and cell phone for verification. If you have not created one yet, please go to www.retiresmart.com and click "Register for Online Access"
