CITY OF MEMPHIS

EMPLOYEE BENEFITS

Introduction

Welcome to your 2022 Total Rewards Benefits Guide.

This guide highlights important benefits information available to you, our greatest asset – the City of Memphis employees.

A few key highlights:

- · BlueCross Blue Shield of Tennessee (BCBST) will continue to be your health plan provider.
- BCBST bundles medical, pharmacy, dental AND vision to give you comprehensive coverage at a great value.
- Dental Updates:
 - Dental Implants were added in 2021 and we do NOT have a missing tooth exclusion coverage.
 - Dental benefits reset on January 1st every year. (See Dental section for more details.)
- · Vision Updates:
 - Vision plan benefits include diabetic riders for retinal imaging and more.
 - Vision benefits also reset on January 1st of each year. (See Vision section for more information.)

We are adopting a "passive enrollment" process this year (meaning, if you do not wish to make any changes, you can simply take no action and your current benefit will roll over). However, if you wish to make changes to your medical, dental and vision benefits, you can do so within the established timeframe.

Note: If you are currently enrolled in a Flexible Spending Account (FSA), you WILL need to RE-ENROLL for 2022. Be on the lookout for a new ID card that will include additional benefits information, like your deductible, maximum out of pocket amounts, etc.

Additionally, you still have access to PhysicianNow powered by MDLIVE® for care at home or on the go. This enables you to use any (internet) connected device to virtually see a doctor for minor illnesses, skin issues, depression, anxiety and more.

Finally, in an effort to continue to provide convenience and access to quality healthcare, we continue to operate TWO on-site clinics, available at no cost to you.

We hope you use this guide as a reference and find it useful as you review your benefit options and the many programs and services available to take care of YOU.

Letter from the Mayor

Dear Colleague:

It is time for the 2022 Open Enrollment process for your Benefits. Our Division of Human Resources continues its dedication to attract, develop, equip, and retain employees.

In the past few years, we have worked to create a benefits package that brings the most value for the lowest cost of any plan of a comparable sized organization—in the Memphis metro area and across similar municipalities. Our premiums are still competitive regionally, and our deductibles are still extremely reasonable. This means we are able to provide more choice, lower premiums, and better wellness programs—all while staying within our healthcare budget.

Enclosed are all the details of our program. Please take the time to review these documents with your family to make the best decisions for your needs. Thank you for your service and hard work to make Memphis a better place for every Memphian, every day.

Yours,

Jim Strickland

Letter from the Chief HR Officer

City of Memphis colleagues and family members,

I am excited to announce: It's Open Enrollment season! This is the time of year when we encourage you to take some time to re-evaluate your current and future benefits needs. This year's enrollment is passive, so you can keep your current selections OR utilize one of our many enrollment options (online, via phone or virtual appointments) to make a change.

I encourage you to review this benefit booklet in detail as you make your open enrollment decisions. Note that any new elections or changes made during the open enrollment period will become effective January 1, 2022.

We know these are challenging times. I assure you the City of Memphis remains dedicated to building and investing in an environment of health and wellness that benefits you and your family. In doing so, we are providing more access to mental health care, COVID-19 testing and support, wellness benefits, and innovative programs such as the student loan reduction program for City of Memphis employees.. For more information about YOUR programs, please visit: https://totalrewards.memphistn.gov/

Thank you for your ongoing commitment to the City of Memphis and for being part of what makes this a great place to work!

Medical Insurance

The City of Memphis offers two different medical options for you and your family through BlueCross BlueShield of Tennessee. You must meet an annual deductible before the plan pays a percentage of expenses. However, if you are enrolled in the Select Plan, you may use funds in your HRA to help meet your deductible. You will incur a copay for certain services. After you or your family's out of pocket maximum is met; the plan will pay 100% of each eligible family member's covered expenses.

NOTE: THERE ARE SEPARATE DEDUCTIBLES FOR MEDICAL AND PHARMACY THIS YEAR.

You will need to meet separate deductibles for medical and pharmacy expenses each calendar year. The deductibles will continue to apply to your annual out of pocket maximum. Please refer to the medical and pharmacy separate plan designs located in this guide for details.

After you or your family's out of pocket maximum is met; the plan will pay 100% of eligible covered expenses.

A list of all hospitals can be found on https://totalrewards.memphistn.gov/. You can save on health care costs by staying in network. By going to in-network doctors and hospitals, you pay lower copays and avoid other out-of-network costs. If you use a doctor or hospital outside your network, your insurance pays less and you pay more, including higher copays, coinsurance and/or deductibles.

HELPFUL TIPS TO USING YOUR INSURANCE:

- Show your Member ID card each time you see a network provider. Your Member ID card has helpful information, such as copay amounts and your plan's network distinction.
- Before requesting services from a health care provider, make sure he/she is in your network. For example, ask the provider, "Are you an in-network provider for BlueCross BlueShield of Tennessee in Network S?"
- Don't assume your doctor will only refer you to specialists, hospitals, and/or other health care providers in your network. Be sure all referred providers are in your network before accepting services from them.

COST-SHARING: HOW IT WORKS

Let's say your health plan has a \$1,500 deductible, 20% coinsurance and a \$5,000 out-of-pocket maximum.

If you get a \$100,000 medical bill, this is w	you get a \$100,000 medical bill, this is what you can expect:	
Coverage Type	Your Share	Plan's Share
Deductible Your first share of the cost is your \$1,500 deductible. You can use your HRA to help offset this cost.	\$1,500	\$0
Coinsurance	\$3,500	
Then, your share of the cost is \$3,500.		\$14,000
Out-of-Pocket Maximum At this point, you'll reach your \$5,000 out-of-pocket maximum, and your plan will cover the rest.	\$0	\$81,000
Subtotal	\$5,000	\$95,000
Health Reimbursement Account (HRA)*	(\$750)	
Your share of the cost	\$4,250	

Summary: Overall, your share of the cost is \$5,000 for a \$100,00 medical bill. Your plan will cover the remaining \$95,000. *If you are enrolled in the Select health plan, you can use up to \$750 on an individual plan and \$1500 on a family plan of your HRA to cover your share of the cost.

WHAT IS AN HRA?

- Coverage for out-of-pocket costs, which may include things such as deductibles, copayments, coinsurance, dental and vision expenses (as determined by your employer).
- · You don't pay any taxes on HRA funds.
- · Contributions are free money, provided by your employer. There are no payroll deductions.

HOW HRAs WORK:

Your employer determines the amount of money to contribute to the HRA, and will determine what medical expenses are eligible to be paid using the funds. During the year, you can use your funds for eligibile out-of-pocket medical expenses. In most cases, your health plan will receive and process a medical claim and then send the claim to be reviewed for payment from your HRA.

Amount of your HRA	
Health Care Options	HRA Amount
Employee Only	\$750
Employee + Spouse	\$1,500
Employee + Children	\$1,500
Employee + Family	\$1,500

Additional information about the HRA is available at: http://learn.healthequity.com/bcbst/hra/#hra_hero or call 1-888-796-0609.

Flexible Spending Accounts Benefit

HOW AN FSA WORKS

1) Sign up

During eligible enrollment periods, sign up to participate in an FSA. Select the option that best meets your needs and then determine the amount you would like to contribute from your pretax earnings. Get help estimating your expenses at www.HealthEquity.com/FSAworksheet.

2) Contribute

Your employer will arrange to have the determined amount of your pre-tax earnings contributed to your FSA. Typically the amount withheld from your paycheck is equal each pay period.

3) Use your funds

When you incur a qualified expense, you can either pay with the HealthEquity Visa® Reimbursement Account Card provided by some plans or submit the expenses through the HealthEquity online tool for reimbursement. Remember to save all receipts; you'll need them for reimbursements and to validate your expenses with your employer or administrator.

This card is issued by The Bancorp Bank, pursuant to a license from U.S.A. Inc. Your card can be used everywhere Visa debit cards are accepted for qualified expenses. This card cannot be used at ATMs and you cannot get cash back, and cannot be used at gas stations, restaurants, or other establishments not health related. See Cardholder Agreement for complete usage restrictions.

USE IT OR LOSE IT

FSAs are generally use it or lose it accounts. This means that you cannot carry over the balance in your FSA past the year that you opened/renewed your account. Unused funds in the account will be forfeited on the last day of March the following year. Additionally, if an account holder leaves an employer or retires, unused funds are forfeited. For more details, see IRS publication 969 or consult a tax advisor.

Additional information about the FSA is available at: http://learn.healthequity.com/bcbst/fsa/#fsa_hero.

Dependent Care Flexibile Spending Account

WHY DCFSAs?

- · Pay for dependent care with tax-free funds
- · Can reduce your taxable income amount

To qualify, the funds must be used to take care of someone who is dependent while the caregiver works, looks for work or attends school full-time.

HOW IT WORKS

With a DCFSA, you can make pre-tax payroll contributions to pay for dependent care expenses.

- Determine the amount you would like to contribute for the year. The maximum annual DCFSA contribution allowed is \$5,000 per household. Unlike medical flexible spending accounts, your annual DCFSA funds are not available up front. Funds are only accessible as they are deposited with each payroll deduction.
- · Pay dependent care costs out-of-pocket.
- Submit for reimbursement either through the HealthEquity member portal, or by using the DCFSA Reimbursement Form.

Recurring DCFSA claims can be scheduled for the duration of the plan year. For more information, contact 866-346-5800.

QUALIFIED DEPENDENTS

To be considered qualified, dependents must meet one of the following criteria:

- · Children under the age of 13
- · A spouse who is physcially or mentally unable to care for himself/herself
- · Any adult you can claim as a dependent on your tax return that is physically or mentally unable to care for himself/herself

Before and after school or extended day programs	Late pick-up fees	Custodial childcare or eldercare expenses

QUESTIONS? EMAIL wellness@memphistn.gov

The City of Memphis offers two different medical options for you and your family through BlueCross BlueShield of Tennessee. You must meet an annual deductible before the plan pays a percentage of expenses. However, if you are enrolled in the Select Plan, you may use funds in your HRA to help meet your deductible. You will incur a copay for certain services. After you or your family's out of pocket maximum is met; the plan will pay 100% of each eligible family member's covered expenses.

NOTE: THERE ARE SEPARATE DEDUCTIBLES FOR MEDICAL AND PHARMACY THIS YEAR.

You will need to meet separate deductibles for medical and pharmacy expenses each calendar year. The deductibles will continue to apply to your annual out of pocket maximum. Please refer to the medical and pharmacy separate plan designs located in this guide for details.

After you or your family's out of pocket maximum is met; the plan will pay 100% of eligible covered expenses.

COST-SHARING: HOW IT WORKS

Let's say your health plan has a \$1,500 deductible, 20% coinsurance and a \$5,000 out-of-pocket maximum.

Coverage Type	Your Share	Plan's Share
Deductible Your first share of the cost is your \$1,500 deductible. You can use your HRA to help offset this cost.	\$1,500	\$0
Coinsurance	\$3,500	
Then, your share of the cost is \$3,500.		\$14,000
Out-of-Pocket Maximum At this point, you'll reach your \$5,000 out-of-pocket maximum, and your plan will cover the rest.	\$0	\$81,000
Subtotal	\$5,000	\$95,000
Health Reimbursement Account (HRA)*	(\$750)	
Your share of the cost	\$4,250	

Summary: Overall, your share of the cost is \$5,000 for a \$100,00 medical bill. Your plan will cover the remaining \$95,000. *If you are enrolled in the Select health plan, you can use up to \$750 on an individual plan and \$1500 on a family plan of your HRA to cover your share of the cost.

For additional information, see HRA chart in the Full Time section.

Retiree HRA Through ViaBenefits

The City of Memphis has contracted with ViaBenefits to provide a private health insurance exchange to assist eligible retirees and their families in securing health insurance coverage. Retirees purchasing coverage through ViaBenefits enroll in individual plans, with the City contributing to the coverage through a health reimbursement arrangement (HRA). The amount of the HRA is determined by the retiree and dependent's age and Medicare status.
