Your benefits will not automatically roll over from last year. You'll need to choose all of your benefits for 2024. You can make changes to your medical, dental and vision benefits, you can do so within the established timeframe.

NOTE: If you are currently enrolled in a Flexible Spending Account (FSA), you WILL need to RE-ENROLL for 2024. Be on the lookout for a new ID card that will include additional benefits information, like your deductible, maximum out of pocket amounts, etc.

Additionally, you'll have access to Teladoc[™] Health for care at home or on the go. This lets you use a computer or smartphone to see a doctor <u>virtually</u> for minor illnesses, skin issues, depression, anxiety and more.

Finally, in an effort to continue to provide convenience and access to quality healthcare, we continue to operate on-site clinics, available at no cost to you. We hope you use this guide as a reference and find it useful as you review your benefit options and the many programs and services available to take care of YOU.

Rate charts and detailed benefits information are available on the Total Rewards website at <u>https://totalrewards.memphistn.gov</u>.

QUALIFIED LIFE EVENTS/CHANGE IN FAMILY STATUS

Generally, employees can only change benefit elections during the annual open enrollment period. However, employees may change benefit elections during the year if they experience a qualified life event/change in family status, including:

*Employees are required to report a divorce or annulment of marriage to the Total Rewards Benefits Service Center within 30 days of the event. Failure to report within the 30-day timeframe may affect employee premiums, ex-spouse Cobra eligibility and result in extra member medical costs.

WHO IS ELIGIBLE?

- Your legal spouse/partner if he or she is not legally separated from you and does not have access to other insurance.
 - Note: The spouses of commissioned fire and police, paramedics, and communication dispatchers and operators can be added to coverage, if they have access to other insurance for a surcharge of \$100/month.

ONE-FAMILY PLAN RULE

City employees and retirees who are married to each other, may each enroll as a participant or be covered as an enrolled dependent of the other, but not both. - There will be a \$100/month surcharge for any employee's spouse: applicable for commissioned fire and police, that has access to healthcare coverage elsewhere.
- BlueCross in-network providers not specifically identified in the Choice plan design are subject to the 20% coinsurance.

A list of hospitals can be found at <u>https://totalrewards.memphistn.gov</u>. You can save on healthcare costs by visiting in-network doctors and hospitals where you will pay lower copays and avoid other out-of-network costs. If you use a doctor or hospital outside your network, you'll pay more, including higher copays, coinsurance and/or deductibles.

TIPS FOR USING YOUR INSURANCE:

- Show your Member ID card each time you see a network provider. Your Member ID card has helpful information, such as copay amounts and your plan's network details.
- Before you make an appointment or request service, make sure the healthcare provider is in your network.
- Don't assume your doctor will only refer you to specialists, hospitals, and/or other health care providers in your network. It is your responsibility to make sure all referred providers are in your network before making an appointment.

COST-SHARING: HOW IT WORKS

Let's say your health plan has a \$1,500 deductible, 20% coinsurance and a \$5,000 out-of-pocket maximum.

Coverage Type	Your Share	Plan's Share
Deductible Your first share of the cost is your \$1,500 deductible. You can use your HRA to help offset this cost.	\$1,500	\$0
Coinsurance	\$3,500	
Then, your share of the cost is \$3,500.		\$14,000
Out-of-Pocket Maximum At this point, you'll reach your \$5,000 out-of-pocket maxi- mum, and your plan will cover the rest.	\$0	\$81,000
Subtotal	\$5,000	\$95,000
Health Reimbursement Account (HRA)*	(\$750)	
Your share of the cost	\$4,250	

Summary: Overall, your share of the cost is \$5,000 for a \$100,000 medical bill. Your plan will cover the remaining \$95,000.

*If you are enrolled in the Select health plan, you can use up to \$750 on an individual plan and \$1,500 on a family plan of your HRA to cover your share of the cost.

WHAT IS AN HRA?

- Coverage for out-of-pocket costs, which may include things such as deductibles, copayments, coinsurance, dental and vision expenses (as determined by your employer).
- You don't pay any taxes on HRA funds.
- There are no payroll deductions.

HOW HRAs WORK:

Your employer determines the amount of money to contribute to the HRA, and will determine what medical expenses are eligible to be paid using the funds. During the year, you can use your funds for eligibile out-of-pocket medical expenses. In most cases, your health plan will receive and process a medical claim and then send the claim to be reviewed for payment from your HRA.

HOW AN FSA WORKS

1) Sign up

During open enrollment, sign up to participate in an FSA, select the option that best meets your needs, and then determine the amount you would like to contribute from your pre-tax earnings. Get help estimating your expenses at <u>https://HealthEquity.com/FSAworksheet</u>.

2) Contribute

The City will arrange to have the amount you selected for your pre-tax earnings added to your FSA and will arrange to have the determined amount of your pre-tax earnings contributed to your FSA. Typically the amount withheld from your paycheck is equal each pay period.

3) Use your funds

When you incur a qualified expense, you can either pay with the HealthEquity Visa / HRA card® Reimbursement Account Card provided by some plans or submit the expenses through the HealthEquity online tool for reimbursement. Remember to save all receipts; you'll need them for reimbursements and to validate your expenses with your employer or administrator. This card is issued by The Bancorp Bank, pursuant to a license from U.S.A. Inc. Your card can be used everywhere Visa debit cards are accepted for certain qualified health related expenses. This card cannot be used at ATMs and you cannot get cash back, and cannot be used at gas stations, restaurants, or other establishments not health related. See Cardholder Agreement for complete usage restrictions.

USE IT OR LOSE IT

FSAs are generally use it or lose it accounts. This means that you cannot carry over the balance in your FSA past the year that you opened/renewed your account. Unused funds in the account will be forfeited on the last day of March the following year. Additionally, if an account holder leaves an employer or retires, unused funds are forfeited. For more details, see IRS publication 969 or consult a tax advisor.

Additional information about the FSA is available at: <u>https://learn.healthequity.com/bcbst/fsa/#fsa_hero</u>.

WHY CHOOSE A DCFSA?

- Pay for dependent care with tax-free funds
- Can reduce your taxable income amount

To qualify, the funds must be used to take care of someone who is dependent while the caregiver works, **searches** for work or attends school full-time.

HOW IT WORKS

With a DCFSA, you can make pre-tax payroll contributions to pay for dependent care expenses.

- Determine the amount you would like to contribute for the year. The maximum annual DCFSA contribution allowed is \$5,000 per household. Unlike medical flexible spending accounts, your annual DCFSA funds are not available up front. Funds are only accessible as they are deposited with each payroll deduction.

Beginning January 1, 2024, The City of Memphis will be offering life insurance through MetLife.

Life insurance provides a source of income for your beneficiary in the event of your death, which can help employees cover immediate or long-term expenses.

Employees have the option to elect coverage through Contributory Basic Life Insurance, where the City makes a contribution towards the policy cost, and/or a Voluntary Life Insurance Plan, which is portable.

CONTRIBUTORY BASIC LIFE INSURANCE

The Contributory Basic Life Insurance benefit is equal to 1.5 times your base annual earnings, rounded to the next higher \$100. The maximum amount is \$200,000. Dependent life can also be purchased.

VOLUNTARY INSURANCE

Voluntary Life coverage may be elected per the table below. All coverage amounts that are not guaranteed require Evidence of Insurability (EOI). Coverage elected during annual enrollment will be effective January 1, 2024 or whenever EOI is approved, whichever is later.

Coverage Type	Coverage Options	Additional Information

Eligibility: Full-time permanent, active employees of City of Memphis over 18 years old.

Premium: You pay 100% for this coverage through payroll deduction.

Your benefit begins after a 14-day waiting period and will pay a maximum of 166 days. STD benefits will end the day long-term disability benefits become payable to you under a group plan provided by the City of Memphis.

STD benefits will not be paid while a member is eligible to receive sick pay.

HYBRID BENEFIT PLAN

Employees with less than 7.5 years of service will have their pension benefits calculated at retirement by combining benefits earned before June 30, 2016 on the previous Defined Benefit Plan with benefits earned after June 30, 2016 under the new Hybrid Plan.

Note: For Commissioned Fire and Police, Paramedics, and Communication Dispatchers and Operators impacted by the tax referendum, this may not apply.

- Pension benefits accrued before June 30, 2016 are calculated by years of service multiplied by 2.5% multiplied by ending salary. This amount is preserved until retirement.
- Any contributions made after June 30, 2016 are calculated based on the new Hybrid Plan, which includes the following changes:
- Employee contributions will be a combination of 2% of salary in a Market Based Plan and 6% of salary in a 401(a) Plan. The total contribution is the same as the previous plan at 8%.
- The City of Memphis will contribute between 3% and 16% of the participating employee's salary depending on the years of service and position. Additionally, the City of Memphis will contribute 1.5% of employee's salary to the 401(a) Plan, which is employee directed after signing up.
- The Market-based Plan is professionally managed. At retirement, employees have the option of 457(b) Deferred Comp Cash Out or rolling the fund over into an annuity.

WHAT DOES MANDATORY ENROLLMENT MEAN?

· 2024 Open Enrollment is a mandatory Enrollment.

The City of Memphis offers two different medical options for you and your family through BlueCross BlueShield of Tennessee. You must meet an annual deductible before the plan pays part of your expenses. However, if you are enrolled in the Select Plan, you may use funds in your Health Retirement Arrangement to help meet your deductible. You will also have a copay for certain services.

💩 🗑 of Tennessee

NOTE: THERE ARE SEPARATE DEDUCTIBLES FOR MEDICAL AND PHARMACY THIS YEAR.

You will need to meet separate deductibles for medical and pharmacy expenses each calendar year. The deductibles will continue to apply to your annual out-of-pocket maximum. Please refer to the medical and pharmacy plan designs located in this guide for details.

After you or your family's out-of-pocket maximum is met, the plan will pay 100% of eligible covered expenses.

COST-SHARING: HOW IT WORKS

Let's say your health plan has a \$1,500 deductible, 20% coinsurance and a \$5,000 out-of-pocket maximum.

Coverage Type	Your Share	Plan's Share
Deductible Your first share of the cost is your \$1,500 deductible. You can use your HRA to help offset this cost.	\$1,500	\$0
Coinsurance	\$3,500	
Then, your share of the cost is \$3,500.		\$14,000
Out-of-Pocket Maximum At this point, you'll reach your \$5,000 out-of-pocket maxi- mum, and your plan will cover the rest.	\$0	\$81,000
Subtotal	\$5,000	\$95,000
Health Reimbursement Account (HRA)*	(\$750)	
Your share of the cost	\$4,250	

Summary: Overall, your share of the cost is \$5,000 for a \$100,000 medical bill. Your plan will cover the remaining \$95,000.

*If you are enrolled in the Select health plan, you can use up to \$750 on an individual plan and \$1,500 on a family plan of your HRA to cover your share of the cost.

*For Retirees enrolled in the City of Memphis Select Plan

Your Health Reimbursement Arrangement (HRA) is contributed to you by the City of Memphis each year to pay for health care expenses when enrolled in the Select Plan. If you don't use it all, the balance will "rollover" to the next year and build up over time.

Amount of your HRA				
Health Care Options	HRA Amount			
Retirees Only	\$750			
Employee + Family	\$1,500			

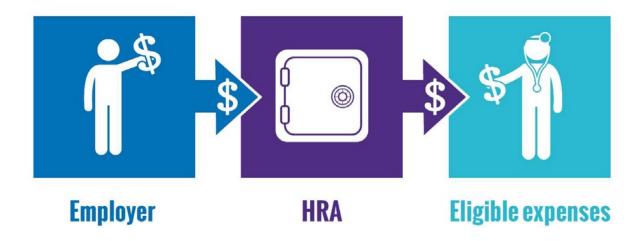

ROLLOVER ACCRUAL

When selecting a plan, consider whether you have any HRA "rollover" money remaining from previous years. With that extra money, you may benefit financially from choosing a plan with a higher deductible and lower payroll contributions. Keep in mind that your HRA rollover accrual will be capped at maximum out-of-pocket amount.

HRA ELIGIBLE EXPENSES

- Medical Deductible expenses, Medical Coinsurance and Medical Copay
- Dental expenses
- Vision expenses
- Prescription Deductibles and Prescription Copay

For additional information, see HRA chart in the Full-Time section.

You May Be Eligible for Extra Funding for Healthcare

The City of Memphis has contracted Via Benefits a private health insurance exchange to assist eligible retirees and their families in securing health insurance coverage. The amount of the HRA is determined by the retiree and dependents age and Medicare status.

THIS NOTICE DESCRIBES THE PRIVACY PRACTICES OF THE CITY OF MEMPHIS. IT DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

The City of Memphis is required by law to protect the privacy of your health information. We are also required to send you this notice, which explains how we may use information about you and when we can give out or "disclose" that information to others. You also have rights regarding your health information that are described in this notice.

USES AND DISCLOSURES OF YOUR PROTECTED HEALTH INFORMATION (PHI) WE CAN MAKE WITHOUT YOUR AUTHORIZATION

Treatment. This includes such things as verbal and written information that we obtain about you and use pertaining to your medical condition and treatment provided to you by us and other medical personnel (including doctors and nurses who give orders to allow us to provide treatment to you). It also includes information we give to other healthcare personnel to whom we transfer your care and treatment, and includes transfer of PHI via radio or telephone to the hospital or dispatch center as well as providing the hospital with a copy of the written record we create in the course of providing you with treatment and transport.

This includes any activities we must undertake in order to get reimbursed for the services that we provide to you, including such things as organizing your PHI, submitting bills to insurance companies (either directly or through a third party billing company), managing billed claims for services rendered, performing medical necessity determinations and reviews, performing utilization reviews, and collecting outstanding accounts.

Healthcare Operations. This includes quality assurance activities, licensing, and training programs to ensure that our personnel meet our standards of care and follow established policies and procedures, obtaining legal and financial services, conducting business planning, processing grievances and complaints, creating reports that do not individually identify you for data collection purposes, fundraising, and certain marketing activities.

Business Associates. We may contract with third parties to perform certain services for us, such as billing services, copy services or consulting services. These third party service providers, referred to as Business Associates, may need to access your PHI to perform services for us. They are required by contract and law to protect your PHI and only use and disclose it as necessary to perform their services for us.

WE MAY ALSO USE AND DISCLOSE YOUR PHI WITHOUT YOUR PRIOR AUTHORIZATION FOR THE FOLLOWING PURPOSES

- To a public health authority in certain situations (such as reporting a birth, death or disease, as required by law), as part of a public health investigation, to report child or adult abuse, neglect or domestic violence, to report adverse events such as product defects, or to notify a person about exposure to a possible communicable disease, as required by law;
- For health oversight activities including audits or government investigations, inspections, disciplinary proceedings, and other administrative or judicial actions undertaken by the government (or their contractors) by law to oversee the healthcare system;
- For judicial and administrative proceedings, as required by a court or administrative order, or in some cases in response to a subpoena or other legal process;
- For law enforcement activities in limited situations, such as when there is a warrant for the request, or when the information is needed to locate a suspect or stop a crime;
- · For military, national defense and security and other special government functions;
- To avert a serious threat to the health and safety of a person or the public at large;
- For workers' compensation purposes, and in compliance with workers' compensation laws;
- To coroners, medical examiners, and funeral directors for identifying a deceased person, determining cause of death, or carrying on their duties as authorized by law;
- For research projects, where there is minimal risk to your privacy and adequate safeguards are in place in accordance with the law;
- Where the health care information that we disclose does not personally identify you;
- If you are an organ donor, we may release health information to organizations that handle organ procurement or organ, eye or tissue transplantation, or to an organ donation bank, as necessary to facilitate organ donation and transplantation; and

USES AND DISCLOSURES OF YOUR PHI THAT REQUIRE YOUR WRITTEN AUTHORIZATION

Any other use or disclosure of PHI, other than those listed above, will only be made with your written authorization (the authorization must specifically identify the information we seek to use or disclose, as well as when and how we seek to use or disclose it). You may revoke your authorization at any time, in writing, except to the extent that we have already used or disclosed medical information in reliance on that authorization.

YOUR RIGHTS REGARDING YOUR PHI

In limited circumstances, we may deny you access to your medical information, and you may appeal certain types of denials.We will provide a written response if we deny you access and let you know your appeal rights. *Continued* ...

- We will normally provide you with access to this information within 30 days of your written request. If we maintain your medical information in electronic format, then you have a right to obtain a copy of that information in an electronic format. In addition, if you request that we transmit a copy of your PHI directly to another person, we will do so provided your request is in writing, signed by you (or your representative), and you clearly identify the designated person and where to send the copy of your PHI.
- We may also charge you a reasonable cost-based fee for providing you access to your PHI, subject to the limits of applicable state law.
- **Right to request an amendment of your PHI.** You have the right to ask us to amend protected health information that we maintain about you. When required by law to do so, we will amend your information within 60 days of your request and will notify you when we have amended the information. We are permitted by law to deny your request to amend your medical information in certain circumstances, such as when we believe that the information you have asked us to amend is correct or if we are not the author of PHI you wish to amend.
- Right to request an accounting of uses and disclosures of your PHI. You have the right to
 receive an accounting of certain disclosures of your PHI made within six (6) years immediately
 preceding your request. But, we are not required to provide you with an accounting of
 disclosures of your PHI: (a) for purposes of treatment, payment, or healthcare operations; (b) for
 disclosures that you expressly authorized; (c) disclosures made to you, your family or friends, or
 (d) for disclosures made for law enforcement or certain other governmental purposes.
- **Right to request restrictions on uses and disclosures of your PHI.** You have the right to request that we restrict how we use and disclose your medical information for treatment, payment or healthcare operations purposes, or to restrict the information that is provided to family, friends and other individuals involved in your healthcare. However, we are only required to abide by a requested restriction under limited circumstances, and it is generally our policy that we will not agree to any restrictions unless required by law to do so.

The City of Memphis is required to abide by a requested restriction when you ask that we not release PHI to your health plan (insurer) about a service for which you (or someone on your behalf) have paid the City of Memphis in full. We are also required to abide by any restrictions that we agree to. Notwithstanding, if you request a restriction that we agree to, and the information you asked us to restrict is needed to provide you with emergency treatment, then we may disclose the PHI to a healthcare provider to provide you with emergency treatment.

A restriction may be terminated if you agree to or request the termination. Continued ...

Additional coverage information is available at <u>https://totalrewards.memphistn.gov</u>

A

Most current restrictions may also be terminated by the City of Memphis as long we notify you. If so, PHI that is created or received after the restriction is terminated is no longer subject to the restriction. But, PHI that was restricted prior to the notice to you voiding the restriction must continue to be treated as restricted PHI.

- **Right to request confidential communications.** You have the right to request that we send your PHI to an alternate location (e.g., somewhere other than your home address) or in a specific manner (e.g., by email rather than regular mail). However, we will only comply with reasonable requests when required by law to do so.
- Notification of a Breach your Health Information. You have the right to be notified if your health information is breached. If we discover that there has been a breach of your unsecured PHI, we will notify you immediately no later than 60 days as required by law.

We do not participate in the following activities. Therefore, we do not use or disclose your health information in these instances: fundraising or marketing, psychotherapy notes, or sale of PHI.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage fram your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT convently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.incurrekidunow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-spansored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium azaintance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.solabou.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for azistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Centuct your State for more information on eligibility -
