It is a crime to knowingly provide false, incomplete, or misleading information to any party to an on-the-job injury transaction for the purpose of committing fraud. Penalties include imprisonment, fines, and denial of insurance benefits. Payments are not allowed for injury or claims stemming from, but not limited to falsifications of documents, and or giving false statements. If you have questions, contact On the Job Injury at 901-636-6459. Also, each Division has an OSHA Coordinator for EE assistance.

I understand and agree that in the event benefits are paid for charges incurred by an employee as a result of accidental bodily injury or disease sustained by such employee, the employee shall reimburse the City OJI Office to the extent of such benefit payments (1) out of any recovery (whether by settlement, judgement, or otherwise) made against any person or organization responsible for causing such injury or disease, and the City OJI Office shall have a lien upon any recovery received from such injury or disease; (2) but in no event shall such employee be required to make reimbursement in an amount exceeding the recovery received by him/her against the person or organization responsible for causing the injury or disease. I must notify the City's OJI Office, Third Party Administrator, or the City Attorney's Office that a claim or lawsuit has been filed against the third party and/or the third party's insurance company within thirty days of the filing of said action. I agree by signature of this agreement that failure to notify the City of legal representation and/or acceptance of any settlement amount could result in the City's reimbursement being deducted from any wages/salaries.
